THE SENIOR INTERNSHIP

Purpose
The purpose of the Senior Internship is to provide the teacher candidate with a real life teaching experience in the natural educational setting. This will allow teacher candidates to develop, practice, and modify teaching skills under the guidance and support of an experienced mentor teacher.

Objectives
- Demonstrate competency of the Florida Educator Accomplished Practices (FEAP)
- Demonstrate competency of the Florida Standards
- Demonstrate competency of the Code of Ethics and Principles of Professional Conduct
- Demonstrate competency of the ESOL Performance Standards
- Demonstrate competency of the Subject Area Competencies (SAC)
- Demonstrate competency of the Reading Competencies
- Demonstrate competency of the Volusia System for Empowering Teaching (VSET)

Intern Placement
Senior Interns will be assigned to a school in the Flagler or Volusia County districts based upon the availability of certified teachers with clinical education training who have agreed to participate in the program and are recommended by their school administration based on demonstration of effective or highly effecting performance. During the internship application process, Senior Interns are encouraged to make school and other placement specific requests; however, these requests may only be granted based on the availability of highly qualified cooperating teachers. In collaboration with the College Supervisor and based on recommendation for selection of specific Cooperating Teachers, Senior Interns will be placed by district personnel. Senior Interns will spend a total of fifteen weeks at the host school and will slowly transition from observing to instructional responsibility during weeks one through five. Senior Interns will assume full instructional responsibility by week six.

ESOL Endorsement (Applies to Elementary Ed and ESE Majors Only)
If the Cooperating Teacher does not hold an ESOL endorsement, two weeks of the Senior Internship must be spent with a fully endorsed ESOL teacher with ELL students. To satisfy this requirement, the Senior Intern will be placed in the classroom of a fully endorsed ESOL teacher and will spend two weeks of the student internship with that teacher. Travel to and from the school is the sole responsibility of the Senior Intern.

SENIOR INTERN RESPONSIBILITIES AND GUIDELINES

Introduction
Teacher candidates in the Senior Internship program are guests in the host school and, therefore, should set a good example for themselves and Daytona State College. Senior Interns should make every effort to improve skills and learn the intricacies of teaching during this time. The Senior Internship experience should be a valuable learning opportunity in which teacher candidates will practice strategies learned in their courses. Teacher candidates will learn real world applications by collaborating with their Cooperating Teacher, interacting with students and transitioning to the instructional leader in the classroom.

Professional Ethics for Senior Intern
- Principles of Professional Conduct for the Education Profession in Florida (State Board of Education Rule 6B-1.006, FAC) should be followed at all times.
- Any information provided to the Senior Intern about students is strictly confidential and should not be discussed with anyone else except the Cooperating Teacher.
- All classroom students, parents, the Cooperating Teacher, and staff should be treated in a professional manner at all times.
All students should be treated fairly and impartially.

Disposition Issues and Policies

Violation of the College academic, lab or clinical experience, educational internship, co-op experience, dual enrollment, early college, HIPPA regulations or additional program, state and federal requirements

“Students who violate these regulations will be removed from participation immediately” (Daytona State College Student Code of Conduct, Section 4.8)

Professional Dispositions are defined as, "Professional attitudes, values, and beliefs demonstrated through both verbal and non-verbal behavior as educators interact with students, families, colleagues, and communities. These positive behaviors support student learning and development." (NCATE 2007)

Should disposition issues arise during the Senior Internship semester; the Senior Intern will immediately meet with his/her College Supervisor and the Cooperating Teacher to determine the best course of action. The College Supervisor will notify the Clinical Supervisor who will determine if the matter needs to be referred to the Student Disposition Team.

Depending upon the severity of the issue, the following measures may be taken by the Student Disposition Team:

- The Senior Intern may be required to schedule and actively participate in remediation sessions relating to the disposition deficiency
- The Senior Intern may be required to withdraw from internship classes
  - Re-enrollment the following semester (fall or spring) will be considered based on successful remediation during the stop out semester
- The Senior Intern may be dismissed from the BSED program

NOTE: Any decision by the Student Disposition Team may be appealed by the Senior Intern. (see Daytona State College Student Handbook)

A school site administrator has the right at any time to terminate the Senior Intern’s placement. If the Senior Intern is removed from the host school by the school site administrator for disposition issues, the Student Disposition Team will take (but are not limited to) the following measures:

- The Senior Intern will automatically forfeit his/her internship that semester (fall or spring)
- The College Supervisor will provide signed documentation from the school site administrator and the Cooperating Teacher regarding the nature of the offense and the reason for the removal
- The Senior Intern may be required to schedule and actively participate in remediation sessions relating to the disposition deficiency
- The Senior Intern may be dismissed from the BSED program
- If the grounds for removal involve a behavioral problem, including breaches of ethics, the case may be referred to the Judicial Affairs Office at Daytona State College

NOTE: Any decision by the Student Disposition Team may be appealed by the Senior Intern. (see Daytona State College Student Handbook)

Senior Interns who are required to withdraw from their initial internship and choose to enroll in a second internship must adhere to the following guidelines as defined below or by the Student Disposition Team.

During the stop out semester Senior Interns may be required to:

- Meet with the Student Disposition Team to develop a Performance Improvement Plan (PIP) to address the disposition deficiency
- Regularly meet with the Clinical Supervisor to discuss how to successfully implement the PIP
During the second internship semester Senior Interns may be:

- Visited on a regular basis at the host school by the Clinical Supervisor or another member of the Student Disposition Team
- Required to meet bi-weekly with the Clinical Supervisor 30 minutes prior to the Senior Internship Seminar Class: ESE4945
