

Dear Parents,

The Volusia County School District would like to assist you (parents/guardians) with accessing the instructional materials that are presently available to your child. These digital resources can be of great help to students in achieving academically and can easily be accessed by going through the VPortal.

Step 1. Go directly to the VPortal Website <https://vportal.volusia.k12.fl.us/>

OR

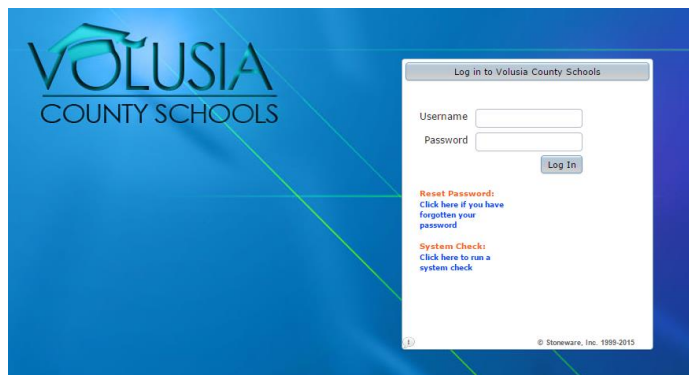

Go to the Volusia County School District Website and click on the VPortal icon

Step 2. Login to the VPortal using your child's account information:

username = student ID initial password = 8 digit birthdate (student has option to change)

example 1ABCD 01012001 Next click **Log In**

Step 3. Click on the various VPortal menus to search/view the digital resources available to your child.

Step 4. Please contact your child's teacher/school for each digital resource's login information.
