

Need a Reading Endorsement?

DSC CAN HELP.

Now offering a Florida state-approved reading endorsement for full-time teachers, coaches, administrators and more!

In just three online classes: RED3012, RED4519 and RED4844 you can become fully reading endorsed. Take them all together or one at a time (August-December or January-May) and you'll be eligible to add this endorsement on your teaching certificate!

1. Apply to Daytona State College using the link below (via mydaytonastate)
2. Choose major **Special Credit – Test Exempt** for non-degree seeking student and email Joy.Lewis@daytonastate.edu to access the course(s) you'd like for registration (RED3012, RED4519 or RED4844). Payment per class will be made upon registration. The full endorsement is 9 credit hours. You may register for one class at a time or all 3 classes at once.

https://csprd.daytonastate.edu/psc/CIBAA/EMPLOYEE/SA/c/CIBAA_MNU.CIBAA_LOGIN_CMP.GBL

RED3012- Principles of Reading, demonstration instruction regarding phonological awareness, vocabulary, and fluency. This includes how to adjust your textbook, primary or secondary sources for readability to offer engagement for your struggling readers. (3 credit hours, 7 week class)

RED4519- Literacy Assessments, all the details about the how and why of diagnostic tools, multisensory techniques, literacy measures and data collection for students with dyslexia... and more! (3 credit hours, 15 week class)

RED4844- Reading Practicum which requires observation or videotape submission with professor feedback and instructional strategy evaluations. (3 credit hours, 7 week class)

**How does this work?
I'm a busy teacher!**

You'll attend a one-time face-to-face orientation session. This can occur at your school if you have 5 teachers or more working together!

Coursework is completed online and in your own classroom with your own students... which means you'll finish with applicable literacy strategies that are relevant to you!

You will synthesize the literacy experiences in your classroom while rigorously engaging your students through this coursework.
