2017-2018 Volusia County Schools Professional Learning Plan
“Equity Through Standards”

Professional Learning Day	Grade and/or subject-specific professional learning designed to continue the work from pre-planning and to set the stage for the focus of ERPLs for 2017-2018: how to plan for equity through standards-aligned instruction. Teachers will attend sessions based on their subjects, tracks and regional zones. Special sessions for role-alike groups (such as school counselors and IB teachers) will take place.	Locations vary by Subject, Zone and Track	September 1 Full day
Regional ERPLs	Four regional ERPLs will be designed for grade and/or subject-specific tracks. Teachers from across the district will collaborate to deepen understanding of the FL Standards and plan standards-aligned lessons that embed the instructional shifts. A coach and teacher leader will facilitate each session. Special sessions for role-alike groups (such as school counselors and IB teachers) will take place.	Locations and times vary by Subject, Zone and Track	Oct. 4 (East) or 11 (West) Nov. 1 (E) or 8 (W) Jan. 17 (E) or 24 (W) Feb. 7 (E) or 21 (W)
School-Based ERPLs	Four school-based ERPLs will support each school’s School Improvement Plan. District developed protocols to support standards-aligned instruction will be available for schools to use and adapt if desired. Schools might also pursue individual training or join with other schools.	School-based	September 20 December 6 March 21 April 4
