Presented by Andrea Finkle and Keisha Wallace

Course # 72842 Section#82294

WHEN: Wednesday, November 15th

TIME: 4:30pm – 7:30pm

WHERE: VUE Office

Do you feel like you could use more time in your classes to help your students learn as much as they can? Do you feel like the constant interruptions to your day, week, quarter, year are making it impossible to teach the way you want to teach? Come learn about how to make time work for you instead of against you. In this three-hour course from AFT Foundations of Education 1, you will be given the opportunity to explore how time can be your friend instead of your enemy, how engaged time differs from academic learning time, and how you can help to create more time in your classroom and your school for academic pursuits.

Please register through MyPGS - search for course # 72842 or section #8 2294.

Non VUE members will be required to pay a \$150 registration fee.

If you have any questions please contact Sandy at Sandra.Bailey@floridaea.org or call the VUE office at (386) 238-1605.
