

Good Evening VCS Families:

April 13, 2020

We thank you for your support and patience during this unprecedented time. The Instructional Continuity Plan (distance learning plan) Phase 1 ends this Wednesday, April 15th. Phase 2 of the ICP starts this Thursday, April 16th. Phase 2 of the ICP will be posted on our district website at vc.edu as well as sent in email and text to families and staff on Thursday morning.

Packets will also be available at schools for families that do not have the technology at home for the ICP digital option. These packets will be distributed at schools on Wednesday, April 15th and/or Thursday, April 16th at all schools. Please check with individual schools for packet distribution days and times if you haven't already heard from the principal. **(Campbell Middle School, Packet**

Distribution: April 16, 2020, 8:00-11:00 AM and 2:00-4:30 PM)

As for handing in finished phase 1 packets, each school will have a drop box set up for students and families to deliver these finished packets. You can bring your finished phase 1 packet to the school to drop off when you pick up a packet for phase 2 on Thursday, April 16. Please make sure both the student's name and the student's teacher's name are on the packet when you turn it in.
