EAGLE EXPECTATIONS:
All staff and students at Citrus Grove Elementary will work together to help each student reach his or her fullest potential. Throughout the school year we will emphasize our motto “Eagles do their Best and Nothing Less!” These efforts will make Citrus Grove Elementary a safe and comfortable place where learning occurs everyday. Staff will keep students focused on the expectations of Eagle Behavior listed below.

Be Kind and Care for:
• Yourself
• Others
• Our Environment

Dear Families,

We are excited to begin the 2020-2021 school year! Here are this year's Car Loop Arrival and Dismissal procedures.

Car Loop Arrival & Dismissal Procedures:
- ALL students must be dropped off and picked up in the car loop only
- The only exception is Kindergarten Staggered Start when each kindergarten family can walk their child to their classroom to meet their teacher on their designated day
- Each student will receive a car tag with an assigned number that coincides with their grade level. (Example: 1st grade starts with 1000)
- Students with children in multiple grades will have multiple tags. Please tape tags together (see sample below) to display when driving through the loop.
- Please fill out the dashboard sign (sample below) using clear handwriting with a black marker.
- Every student will wear their mask during dismissal.
- Students will sit at their designated grade level spot with their homeroom class during dismissal in order to adhere to social distancing guidelines.

Children will not be released to anyone if they do not have their assigned car tag. The safety and security of our students is always our number one priority and we are thankful for you to help us ensure our campus and students are always safe.

Volusia County Schools has migrated to a new student information system. With the transition to our new system we want to ensure the most accurate and up-to-date demographic, emergency and health information for each student.

Included with this letter is the Emergency Information Card for your student. Please review the information carefully. Using a pen, cross through inaccurate (or duplicate) information and write in the correct information.

Contact information on this form will be used by the school to communicate with the legal guardian(s) of the student via Volusia Connect, our school messaging system, and/or school personnel. Guardians can make communication preferences (text, email or voice) for school communication by type (general, attendance and emergency) by downloading the SchoolMessenger app using the included QR label or by going to: https://go.schoolmessenger.com/. Sign-up requires your email address be on file with your student's school - and you may update the email address using the included Emergency Information Card.

Please return the updated Emergency Information Card to your school by August 23, 2019. For questions concerning the information included on the card, please communicate with your student's school.
El Distrito Escolar del Condado Volusia tiene un nuevo sistema de información estudiantil. Con la transición a nuestro nuevo sistema, queremos asegurar la más precisa y actualizada información de salud, emergencia y demográfica para cada estudiante.

Adjunta encontrará la Tarjeta de Información de Emergencia para su hijo/a. Por favor revise la información detenidamente. Use un bolígrafo para tachar la información incorrecta (o repetida) y escriba la información correcta.

La información de contacto en este formulario será usada por la escuela para comunicarse con los tutores legales del estudiante mediante Volusia Connect que es nuestro sistema de mensajería escolar y/o el personal escolar. Los tutores legales pueden indicar sus preferencias de comunicación (texto, correo electrónico o voz) para la comunicación escolar por tipo (general, asistencia y emergencia) y descargar la aplicación SchoolMessenger utilizando el código QR incluido o puede ir a: https://go.schoolmessenger.com/. Para inscribirse necesita tener su correo electrónico registrado con la escuela de su hijo/a – usted puede actualizar su correo electrónico en la Tarjeta de Información de Emergencia incluida. 

Por favor devuelva la Tarjeta de Información de Emergencia actualizada a más tardar el 23 de agosto de 2019.

Para preguntas sobre la información en la tarjeta, por favor comuníquese con la escuela de su hijo/a.
