

Transportation Requests and Information

- All incoming 6th graders, who need Transportation to/from Creekside should complete this form.
(Even if they had transportation in elementary school, it does not automatically roll over when your student changes schools).
- All current students (7th and 8th graders) will be automatically set up for Transportation for '20-'21, if they had it last year ('19-'20).
- If a current student DID NOT have Transportation and would like to request it for the current year '20-'21, they, too, can fill out this form.

Complete your form at

bit.ly/creeksidebus

Parents should familiarize themselves with the Transportation page.

This is a valuable resource for FAQ's. Student Transportation Services:

<https://www.vcsedu.org/student-transportation>

Parents can check Transportation Parent Portal to find out their students bus stop, route number and pick up/drop off times. Routes will not be finalized until early August.
