Guardian #1                                            Guardian #2
Our admissions policy seeks students who have achieved proficiency in reading, writing and mathematics skills, and whose performance testifies to their commitment to learn in all their studies. DeLand Middle STEM Academy seeks students who are not only able but who have expressed and/or demonstrated an interest in science, technology, engineering, art or math and want to become involved in a rigorous academic environment which emphasizes these subjects.

Details about Enrolling
(A) There will be no discrimination in the admission of students to the school on the basis of race, creed, color, disability, or sex.
(B) The school will assert its best effort to attract a diverse student body that reflects the community, and the school will recruit students from disadvantaged and underrepresented groups.

Admissions
Prospective students must submit written/typed applications. Every student will go through a personal interview during which there will be a review of the applicant’s most recent academic and attendance records to ensure that DeLand Middle STEM Academy is an appropriate potential option and educational placement.

Each completed application must be returned to DeLand Middle School by April 13, 2018. Priority is given to applications submitted by the deadline.

When the number of qualified student applicants exceeds the number of available positions, a random selection process (lottery) is utilized to accept qualified applicants.

Due to the nature and rigor of the academic content to be delivered, students should have a passion for learning. It is highly recommended that students have solid attendance records with very few absences. Due to this early college model and mastery-based learning system, students will need to demonstrate persistence when faced with challenging academic expectations. I hereby certify that I have read and understand the enrollment and admission guidelines above, and that this application has been filled out to the best of my knowledge.

Physical Education Annual Waiver

_____ I hereby waive grade level physical education requirements for my child for the current school year upon acceptance into the STEM Academy at Deland Middle School. If my child is not accepted into the academy, this waiver is void.

_____ I request that my child be enrolled in a physical education class during the current school year. I understand that my child will NOT have an elective outside the STEM Academy.
