VCS Reopening Roadmap 2020-2021

Fall Reopening Overview

The School District of Volusia County is committed to creating life-long learners prepared for an ever-changing society. Due to the COVID-19 pandemic, we are required by the Commissioner of Education's Emergency Order to open schools with safety measures in place for students and staff. VCS is also committed to providing options for parents and teachers.

The fall reopening plan that was approved by the Volusia County School Board at the meeting on July 15 includes the three options listed below. Please see this link for the full fall reopening plan presentation: Reopening Presentation. Parents and guardians are encouraged to review the choices to make the best decision for their family. Please know, this plan remains fluid during these unprecedented times.
