The AICE Cambridge program is an internationally recognized educational program that provides rigorous education which encourages students to be prepared for the 21st century by engaging critical thinking skills in a global society.

What does “AICE” stand for?
Advanced International Certificate of Education

Why should you choose AICE?
- Earn up to 45 college credits
- Higher level critical thinking
- Build confidence
- Instill individual responsibility
- Equipped for any challenge
- Engage in global society
- Fuel self-motivation

AICE Cambridge vs International Baccalaureate
- Both are internationally recognized programs
- AICE is a prestigious designed by the University of Cambridge, England
- The AICE program allows for individual choices of courses in three areas to obtain an AICE diploma
- Students have the ability to graduate with a Cambridge AICE Diploma and along with 100 community service hours will be eligible for a bright Futures Scholarship

Who are we looking for?
The vision for an incoming student is someone who has the desire to excel in academics, an active participant in the school and local community, and exemplifies the characteristics to be an international citizen.
The future of AICE at PRHS

Pine Ridge strives to be the flagship school for the Cambridge Program in Volusia County. Our goal within four years will be to have 75% of enrolled students earn their AICE Diploma. By doing this, those students will have earned up to 45 college credits that public Florida State institutions recognize and affords them an opportunity for a full Bright Futures scholarship.

**Pine Ridge High School is proud to announce that we will be offering the AICE Cambridge program upon application approval starting 2017-2018.**

By participating in the AICE Cambridge Program your student will learn through an accelerated & innovative method of study to prepare them for a 21st century international society.

- Strive for excellence
- Build tradition
- Encourage life-long learning
- Create leaders
- Become community contributors
