

# TOMOKA PTA MEMBERSHIP FORM

The Tomoka Elementary PTA welcomes you to our school! Joining the PTA is a great way to get involved. Membership is open to all interested persons—parents, grandparents, friends, and neighbors for an annual fee of \$10.00 per person.

Your help makes it possible for us to provide significant support for Tomoka Elementary, an outstanding place for kids to learn. Our PTA helps fund many aspects of the school, including materials for teachers and classrooms, events for the school community, tutoring, academic support, school safety, extra-curricular activities, student recognition programs and many more needs identified by Tomoka parents and staff. All of this can only continue with your support of the Tomoka PTA.

Please join us! Your membership does not obligate you to volunteer your time. However, if you do have time to help our school and our students, please complete a Volunteer Form online —we’d love to have your help!
