

STEM Student Ambassador Application

2017-2018 school year

High School

STEM Ambassadors deliver information to students at their school. The Ambassador's job is to be the liaison between the school, Volusia STEM and the STEM Specialist. The goal is to let students know what is going on in STEM at their school and throughout Volusia County.

Name: _____ Alpha: _____ School: _____ Grade: _____
Address: _____ City, Zip _____
Parent/Guardian Name(s) _____
Phone: _____ Can parents receive texts at this phone? _____
Parent email: _____
Student email: _____
Student Cell if have: (not a requirement) _____ Can you receive texts? _____
Teacher Recommending _____
Last reported Language Arts and Math Grades: ELA: _____ Math: _____

Expectations of the STEM Ambassador:

- Spread the messages given by the school and STEM specialist within 24 hours using social media and any other acceptable means such as announcements, newsletters.
- Help schools provide information to students about STEM at the school and taking pictures of STEM events, when appropriate at the school.

Complete an essay, 200 words in length, addressing the topic: Why do you want to be a STEM Ambassador?

By signing below you agree to adhere to a social media code of conduct. This includes respectful tone in all social media posts including any personal posts. STEM Ambassadors demonstrate good citizenship at school and online. Not adhering to these guidelines would cause an immediate loss of appointment.

(I have read and understood the above statement of conduct.)
